Promoting Victorian EdTech Capability

Victoria is a leading Australian EdTech ecosystem with deep capability that can support learners across the globe.

The combination of our world leading Universities, Vocational Trainers, Global Thought Leaders and EdTech Entrepreneurs ensures that Victoria as a whole will be a catalyst to the digital transformation of your education institution.

Our Virtual Expo will showcase Victoria's capability with thought provoking keynote sessions, showcases of world leading EdTech innovation and a virtual trade show of 20 Victorian EdTech companies.

Come along to see how Victoria can support your digital learning journey. Learn more at edtechexpo.com.au
